

Family Engagement Leadership Institute

The Network | Offered exclusively to Institute alumni

Vision & Purpose

This network aims to...

Be a nurturing community where leaders committed to family engagement can gather, find their people, and sustain themselves in the work.

Create experiences for members to continue learning, growing, and embodying the mindsets and practices that honors the wisdom of families.

Become a movement that helps leaders across the country prioritize the type of home-school partnerships that lead to improvements in student learning and well-being.

Core Principles

After surveying the inaugural Institute cohort and carefully considering the challenges you've shared and the ongoing supports you'd like, we have organized the network around three core principles:

Coaching

Capacity-Building

Community

Supports

As a Network member, you have access to FREE support services, including:

- ★ 1-2 Virtual Sessions per year (including visits from leading scholars and practitioners in the field of family engagement)
- ★ Special access to tools, resources, and a new platform to connect with network colleagues

Network members have the option to access additional support services, including:

- ★ A monthly coaching package (including 1:1 and small group coaching)
- ★ Personalized onsite visits
- ★ Professional development sessions for staff
